NORMS FOLLOWED FOR FIXING FEE

The school fee structure is fixed by the School Management Committee/Managing Society after considering the following factors:

1. The guidelines and norms issued by **CBSE and the Government of Bihar** from time to time.
2. The reasonable capacity of parents/guardians to pay the prescribed school fees.
3. The expenditure required for providing quality education and maintaining academic standards.
4. Salaries and other legitimate expenditure related to teaching and non-teaching staff.
5. Maintenance and development of school infrastructure, classrooms, laboratories, library, sports and other educational facilities.
6. Recurring expenditure towards electricity, water, sanitation, educational resources, examination and other essential school services.
7. Provision for necessary **reserve and contingency funds** for the proper functioning of the school.
8. The fee structure is reviewed periodically by the competent school authority/School Management Committee, keeping in view applicable government/CBSE norms and the overall requirements of the school.
9. The school ensures that the fees charged are reasonable and commensurate with the facilities and educational services provided by the school.
10. Any revision in fees, wherever required, shall be made in accordance with applicable rules, regulations and directions of the competent authorities.

Note: The school does not charge any fee contrary to the applicable rules and regulations of CBSE and the State Government.
